

Today, I came to school late.

If I had packed my bag yesterday evening, I would have left my house earlier today.

But I watched the movie yesterday and it got late.

If only I had not watched that movie, I would have gotten up a lot earlier today.

My wife does not drink coffee, so I had to make coffee myself.

If my wife had made me coffee this morning, it would have saved me a lot of time.

There was an accident on the road, so I got hold off while driving in my car.

If there had not been an accident, I would not have been held off.

I should really work on my timing!
